

Use the **Savasaurus Club® DinoTracks** newsletter to keep your members informed about all the latest activities and events of your Club...

- Convenient access to a variety of educational content
- Pre-designed newsletter template available to make layout and production easy
- Fully customizable
- Easy and fun way to educate younger members (and parents, too!)

For added convenience, all newsletter templates and content can be accessed through your Club's website management system.

Sample shown at right may vary from actual newsletter template.

Whether you choose to combine your Club activities with your credit union's existing newsletter or print a special publication just for younger members, a newsletter is a great way to stay in touch with your Club members on a regular basis. Children love receiving their own mail and parents will appreciate the educational aspects of each newsletter.
